How to use this product

Work from confirmed information. Keep assumptions visibly separate. Assign one owner to every unresolved item. Before the final handoff, reconcile totals, capacities, dates, dependencies, and contact information. Share one final version and keep a change log when updates occur.

Included working sections

- Planning Profile
- Critical Path
- 12-9 Months
- 8-6 Months
- 5-3 Months
- 2-1 Months
- Wedding Week
- Final Payments
- Responsibility Matrix
- Post-Wedding Closeout

Critical Path

Complete this working page using verified information. Mark unresolved items clearly and name the person responsible for the next decision.

Task	Why it is critical	Target date	Dependency	Owner	Status

12-9 Months

Complete this working page using verified information. Mark unresolved items clearly and name the person responsible for the next decision.

Task	Deadline	Owner	Dependency	Status	Notes
